Tour of the Guardian

Tuesday 16th September 2014, 3pm

Join CLIG for a behind the scenes tour of the Guardian, led by the newspaper's very own librarian. Richard Nelsson will talk about the role of the Research & Information team within the Guardian – this will be followed by a tour of the news floors and a talk from one of the Guardian's archivists about what they do along with some Guardian history. The event promises to be an interesting peek into the work of one of the few remaining newspaper libraries.

Places for this tour are strictly limited and will be allocated on a first come first served basis so please do get in touch if you would like to come along.
