Wednesday 23rd October 2013, 6:30pm

Ever wished you knew more about Project Finance? Understood what the agreements are and what they do? How Project Finance came about and what principles it relies on? Then CLIG has the seminar for you.

Come listen to Nicholas Avery from Klank Consulting (previously of Stephenson Harwood) talk about the industries in which Project Finance has been used, how it's morphed into the PFI/PPP and now PF2 in the UK, and most importantly where you need to go to get the information you're after.

This will be followed by networking drinks.
