Alphabet Soup does Structured Finance

Tuesday, July 19, 6:15pm

The City Legal Information Group are delighted to welcome back Katie McCaw, PSL at Baker & McKenzie and presenter of our very popular [Alphabet Soup from the FSA to FCA, PRA and FPC](#) seminar to shed some light on the world of structured finance & securitisation regulation.

This is a session for those of us who end up scratching our heads in bemusement at the mention of yet more acronyms - CMU, STS/STC, Basel III/CRD for example! Katie will talk us through some of the jargon giving us a general overview of the post-global financial crisis regulation of this particular area of finance, discuss the new, proposed and forthcoming regulations as well as touching on potential changes that Brexit might bring.

This will be followed by networking drinks.
